

ESPAÑA

Matiz Andaluz Tortas de Aceite

These traditional olive oil crisp breads from Sevilla are made with 24% Spanish olive oil and produced entirely by hand, each with its own distinctive hand-patted shape. The sugared, almond or cinnamon tortas are for those with a sweet tooth, and the savory or garlic & parsley tortas are perfect as a base for spreads, dips or on their own. More addictive than potato chips, and a whole lot better for you!
