

ESPAÑA

Olivar de la Luna Extra Virgin Olive Oil

This exquisite oil is produced from 100% Nevadillo Blanco olives that are indigenous to the Sierra de Cordoba, in the northern regions of Andalucia, Spain. Through the production of this high quality organic olive oil, Olivar de la Luna is able to protect their local environment and agricultural traditions. Often used as a finishing oil, it's great on salads, soups or poured over a thick hearty bread.
